Sir:

I N T E R V I E W S U M M A R Y

An interview regarding the above-identified patent application took place on May 20, 2005. Present at the Interview were the inventor, Helen J. Chemtob, her attorney, Stephen Christopher Swift, Patent Examiner Azizul Choudhury, and Primary Patent Examiner Bunjob Jaroenchonwanit. The inventor demonstrated her invention on her laptop computer, and described the novel characteristics of her design. Claim 1 was discussed. Kato et al.
